DETAILED ACTION

1. An amendment was received from the applicant on June 5, 2006.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 26-37 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

4. Claim 26 discloses a submersible with "at least one buoyancy tank for providing a variable buoyancy", and also indicates that said submersible "does not include a ballast tank and has a fixed positive buoyancy". It is thus unclear to the examiner whether the claimed submersible has or does not have a buoyancy or ballast tank, and whether said submersible has a variable buoyancy or a fixed positive buoyancy.

Allowable Subject Matter

5. Claims 1-25 and 38-89 are allowed.

Response to Arguments

6. Applicant's arguments with respect to claims 26-37 have been considered but are moot in view of the new ground(s) of rejection.

Art Unit: 3617

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.

8. Any inquiry concerning this communication from the examiner should be directed to Exr. Lars Olson whose telephone number is (571) 272-6685.
